**To:** Egan, Robert <egan.robert@epa.gov>  
**Cc:** Worley, Ray <Worley.ray@epa.gov>; Ruth, Scott <sruth@bristol-companies.com>  
**Subject:** Tower Standard Site Investigation Tech Memo

PLEASE NOTE THE EPA AND CONTRACTORS ARE RECEIVING THIS EMAIL

Bob,

Attached you should find a digital copy of the tech memo summarizing the site investigation activities performed at the Tower Standard site in Lac du Flambeau in March and April. This includes a description of the location of all laboratory analytical samples collected. Also included are cross sections updated with new boring locations.

Hard copies of the report were sent your way via FedEx last week.

Thank you,

--Matt
